General Summary of Position

The borough that we are situated in has a lot of deprivation. We run a growing food bank where people in need can get a food parcel which usually lasts for 5 days. As well as showing God's love in such a practical way the Food Bank is also a great way to build relationships and share the Gospel with people who are unlikely to walk into a Church. We are looking for a volunteer to join us for 4 hours a week.

Tasks

1. Organize and catalogue food donation
2. Manage stock room
3. Make up food parcels
