## General Summary of Position

Once a week we open our community centre to local parents and their preschool children. Over a two-hour session, we offer refreshments to the parents and provide a comfortable and safe environment for kids to play. During this session, we have a bible story for the children, singing and a craft. Our aim, as well as sharing God's love practically, is to use the group to build relationships and share the gospel to a group which is mostly made up of non-believers.
