

## PRAY FOR LONDON

London City Mission has produced a Lent prayer guide to launch their Pray for London campaign.

Lent is a time for many Christians to go the extra mile in service and commitment to their Saviour. London City Mission are encouraging thousands of people to get involved in praying for their capital city during the period of Lent.

The guide, entitled *Pray for London*, can be used to fuel individual prayer as well as being a tool for prayer groups and churches to use.

The guide starts on Wednesday 18 February. To order your free copies, please contact London City Mission on 020 7407 7585 or visit their website [www.lcm.org.uk/prayforlondon](http://www.lcm.org.uk/prayforlondon).

Chief Executive of London City Mission, Graham Miller, said: "For 180 years, we've been stepping out across London, bringing the good news to the least reached people. Prayer fuels everything we do and how we do it. We would love you to come on the journey with us as we pray for London this Lent."

Each week the guide covers a different theme, from elderly people to global London.

There is a short introduction each week along with a Bible verse for reflection. Every day has a specific prayer around an individual or specific situation relating to the week's theme. At the end of each week is an opportunity to respond to all that's been prayed.
