General Summary of Position

We're looking for general volunteers to help at our supported housing project for men who've experienced homelessness and support them in their journeys towards independence. Several volunteering options are below.

Mentoring/ Work coach

- Meeting the tenant(s) one on one; building relationship and supporting them through challenges in their lives.
- Helping them with writing CVs, applying for jobs.

Gardening

- Supporting the tenants and encouraging them to get involved with gardening.
- We would provide any tools/equipment that you need.
- Build relationships with the tenants as you garden with them.

Life skills (e.g. cooking/ budgeting)

- Support the tenants with any practical life skills such as those listed above. Other suggestions welcome.

Education support

- English as a second language support
- Computer skills

Bible study (lead/ support/ hospitality)

- Support with our Tuesday evening Bible study and dinner.
- Helping to lead, be involved or support the discussion
- Help with the cooking.
- Build relationships with the tenants.

Tuesday social evening support

- Be involved with the monthly Tuesday evening film club.
- Build relationships with the tenants.

Personal Trainer for the gym

- Train the tenants to use the multigym which we're hoping to have up and running in the coming months.

Social excursions

- Plan and take tenants on weekend outings around or outside of London
- Could be combined with a mentorship role.

Handy man

- Be available to support and help with small property DIY requests that crop up in the properties.
